## Get back on track. Filing an insurance claim is quick and simple.

Go to [mymetroclaim.com](https://mymetroclaim.com) 24/7. It's easy and convenient for both filing and checking the status of your claim. You can also call Assurant® at **1-800-316-2075**.

### Have the following information on hand when filing a claim:

- Mobile number, make, model, and IMEI, and details about what happened to your damaged or lost device
- Contact info, account PIN number, or security question for security purposes (We may ask you for your picture ID in the claims process.)
- Payment method for deductible
- Shipping information (domestic U.S. only)

You may be required to provide additional documentation, such as a proof of loss form, to process your claim. You may be required to disable the Find My/Find My iPhone feature prior to making a claim and before sending back a claimed device. Remember to file a claim within the time frame indicated in your coverage documents.

Helpful tip: If your device is lost or stolen, call Metro by T-Mobile at **1-888-8metro8** to suspend service and avoid unauthorized usage.

**Claim Limit:** You're allowed up to two covered claims in any rolling 12-month period, based on the date of the first repair or replacement. The maximum coverage per approved claim will be the lesser of the replacement device or the purchase price of the claimed device, minus your deductible. Once your claim limit is reached, coverage is terminated.

We'll replace your device with a reconditioned device of like kind and quality. If a reconditioned device isn't available, we'll replace it with a new device of like kind and quality. Device color may vary depending on availability. The device comes with a 180-day limited warranty or the original manufacturer's warranty; the longer term applies. If your device is repaired, parts used for repairs will come from our authorized servicer's inventory. This may include reconditioned, rebuilt, or new parts of like kind and quality to the original device parts.

### Insurance deductibles

Once your claim is approved, a deductible (based on your device tier and type of loss) will be collected from you by credit card, debit card, or eCheck. You may also pay in cash at any Metro store. As your device depreciates, it may be classified under another tier and your deductible would be adjusted accordingly.

1	\$15	\$15
2	\$30	\$30
3	\$40	\$40

5 and BYOD	\$99	\$149
6	\$99	\$249

**NY Producer Compensation Disclosure:** T-Mobile USA, Inc. (License # 538836 "T-Mobile") and MetroPCS New York LLC (License # 1116268 "Metro") each hold a Limited License to sell Wireless Communication Equipment Insurance in the state of New York. Metro is ultimately a wholly owned subsidiary of T-Mobile. T-Mobile receives no compensation from the sale of insurance from American Security Insurance Company ("ASIC"), an authorized insurer in the state of New York. Compensation will be paid to Metro based on the sale of insurance (if purchased by you) by ASIC. Compensation paid to Metro does not vary based on any other factors. You may obtain information about compensation expected to be received by Metro based in whole or in part on the sale of insurance to you by calling 1-888-8metro8 or asking your T-Mobile sales associate, who is authorized to provide you with such information on behalf of Metro. This program may duplicate other coverages you may have, such as homeowners or renters insurance. This program would cover you before any other insurance. You may check with your licensed agent for your own insurance assessment.
